

## **Emergency Card**

In case of an accident where one of the riders has been injured the following guidelines should be considered.

### **One Rider should Dial 112**

- Try to remain calm
- Is the accident site safe for you
- Can the injured be moved
- Attempt to gain assistance
- Protect the scene if the injured cannot be moved
- Where are you ? Give as much info as you can, Road numbers/nearest town/village
- Re contact the Emergency Services
- Is the road blocked, can obstructions be moved
- If you have pen and paper try to obtain details of witness and write down what you saw /road conditions/weather conditions/Any other useful info.
